Feb 3 1817.

Dear Mr. Banks.

I enclose in a copy
of the ancient monuments
act. I think you will
quite regret to part
with it as it is your
work and with the purpose
I trust is of general use
it does not interfere with

reports of projects or
establishing a report of
way. but it is certainly
one of the most important
concerns in the country &
ought to be dedicated to
attention. When I receive
a letter from you to this
effect I will commence

with the Office of War
& you will receive a ~~letter~~
from you in duplicate.

Yours very truly
