Dear Sir,

Seeing your letter in the Standard of the 26<sup>th</sup> inst. about the Wall of Antonius, I think perhaps your Society might take an interest in the Walls of "the Maiden City of Londonderry."

They are kept in good repair, but would be none the worse for being under the protection of a Society such as yours.

If you cannot move in the matter, perhaps you could kindly tell me if there is any means of registering them.

Hoping you will excuse my thus troubling you.

I remain, Yours truly  
J. Alexander
