H. M. OFFICE OF WORKS,

12, WHITEHALL PLACE, S.W.

Musk

Dear General Pitt Rivers

It has come to my knowledge that a recent defacement of Kite's (or) House, near Incestone, has taken place.

A vandal has cut on the face of one of the stones the words

" C. H. Haswell  
10. Sep. 1897 "

I have placed the matter in the hands of the Chief

H. M. OFFICE OF WORKS  
15 WHITEHALL PLACE S.W.

Constable of the County with  
a view to the identification  
& prosecution of the same.

If necessary I propose  
to offer a reward for  
his capture & conviction.

Yours truly  
Arthur Douglas
