Dear Sir.  
Dudbury Camp  
Langham.

Have you heard that  
this beautiful & very  
interesting work is about  
to be spoiled by the erection  
of a Villa - in the very  
centre of the Camp. Half  
of it belongs to Lord  
Wimborne but the other  
half (on the East side) ~~was~~  
sold a short time ago &

this is to be the result. I suppose nothing  
can be done to preserve it.

Yours faithfully

Walter Fletcher
