I am desired by the
Committee of this Society
to inform you that we
have heard from a cor-
respondent that within the
last year a portion of the

enclosed & presumably it has
been spread over the ad-
joining land. My Com.

matter puts that this
Society as a Society for the
Protection of Ancient Buildings
cannot will take any action
in the matter but I
think that your Society
will probably wish to take
the matter up.

I remain Dear Sir
