My cousin, Mr Mansel  
Pleydell, showed me some  
time since a letter of yours  
written on the subject of a  
return of the prehistoric  
monuments to the County  
of Dorset being prepared,  
as you suggested should be  
effected through the Agency

of the Xmas Field Club.

of the meeting of delegates of  
County Societies at the  
Brit<sup>h</sup> Assoc<sup>n</sup> & I  
remember in which the  
same subject was discussed.

suggestion the Field Club  
committee propose to

letter to the members

of parishes in the county  
of Dorset asking them  
to fill in the schedule  
each for his own parish

send you a draft  
of the letter & schedule  
and to ask you whether

should be supplied  
by this means would be
