My dear Pitt Rivers

I have received the  
enclosed from Post of  
the Brit. Mus. who, as  
you will see has asked  
me to forward it to you  
I have told him that  
I don't believe such  
monuments could  
come under the Act  
but that if they were  
to do so, an application  
from the owner would  
be necessary — I hope  
that you partly at

Rushmore has gone  
off well - I think that  
your Section at Bath  
was as successful as  
any - An recommendation  
to subscribe towards  
the Roman Baths was  
well received both by  
the Comm. of Recom-  
mendations and by  
the Mayor - With  
kind regards

Yours truly  
John Lewis
