Maj: Gen: Pitt Rivers.

Dear Sir

I am desired by the
Committee of this Society
to ask you whether you
would mind giving your
help to Maj: J. B. Keith
who has for some time past
been doing very good work
in preserving Indian Mon-
uments under Government?
Major Keith wishes for

information respecting the
course followed by the
Governments of other European
countries respecting the pre-
servation of Ancient-buildings
and he has informed us
that he believes, ~~that~~ if you
have not the actual infor-
mation he desires, that you
can put him in the way of
obtaining it.

Major Keith, whose name
is probably well known
to you, thoroughly under-
stands his subject. I believe

and certainly one of his
reports to Government - (on the
Monuments of Avaria) wh:
I have just read is most-
interesting.

Major Keith's present ad-
dress is 108. Mount Street -
Government Square, W.

Hoping that you may be
able to oblige the Soc:
by giving this assistance

I remain dear Sir
Yours faithfully
Thackeray Turner.

31st July 1886.
