EVERSLEY,

MATLOCK.

Dear Sir, Many thanks for your  
courteous communication. I  
do not however at present see  
any way of placing the iniquitous  
under the Govt. Ancient Monu-  
ments Preservation Act - as long  
as I am in possession, I will  
take good care that the remains  
be not disturbed.

I am truly yours  
Genl Rivers, John Wright.
