Dear General Pitt-Rivers,  
As Chairman of the  
delegates of the British  
Association, I made some  
remarks as to the action  
of one of the Scotch  
Boards in declining to  
accept the monuments

which you had scheduled  
for them.

The Secretary sends me  
enclosed letter. If it is  
not the Board of Trade  
of Scotland, would you  
kindly write him the  
name of the unfortunate  
bureau?

With greeting, I am,  
dear General Pitt-Rivers,  
yours very truly  
Gen. Pitt Rivers F.R.S. W. Boyd Dawkins

Dear Prof.<sup>r</sup>

You made a remark at  
Manchester respecting the working of the  
Ancient Monuments Act which has  
been called in question & I want  
it put right before sending out  
our Report.

Is it the Board of Trade  
of Scotland which is concerned in  
this matter, or, if not, what is  
the body which deals with the  
~~pro~~ ancient monuments? I have  
it Board of Trade in my Report.

Please put me right if I  
am wrong,

Yours very truly

R. Meldola.
