Dear Pitt,

I do not care  
to have the Serils Ser  
put under the protection  
of the Ancient Monuments  
Act, at any rate during  
my life, when I can

take care that it is  
not hurt. My trustees  
would have let it be  
destroyed a few years ago  
if I had not prevented  
them.

Yours truly  
H.B. Morse
