SOCIETY OF ANTIQUARIES OF LONDON.

DEAR SIR,

I am directed by the Council to forward to you the enclosed copies of a letter received from General A. Pitt Rivers, F.R.S., F.S.A., Inspector of Ancient Monuments in Great Britain, and also copies of the Act of Parliament for the better protection of such monuments.

The Council will be much obliged if you will communicate a copy of the letter and of the Act of Parliament to the Local Archæological Society, if any, of your district, and request them to oblige the Society of Antiquaries with their valuable advice and assistance in this matter. The preservation of such monuments is of the highest importance, and in order to ensure it the concurrence of the owners in placing them under the protection of the Act is highly desirable. The Council trusts that the local knowledge of the Members of the Archæological Society throughout the country will not only assist in extending the Schedule of the Monuments brought under the Act but will aid ensuring a favourable acceptance of the provisions of the Act by the owners of these interesting relics of the past.

In any case, whether any Local Society exists or does not within your district, the Council would be glad to receive from you personally any suggestions which you may wish to offer and which may assist them in their correspondence with General Pitt Rivers.

I am.

Dear Sir,

Yours faithfully,

W. H. St. JOHN HOPE, Assistant-Secretary.

SIR.

Clause 10 of the Ancient Monuments Act of 1882 makes provision that any monument of like character to those scheduled may by Order in Council be deemed to be an ancient monument to which the Act applies.

Should the Society of Antiquaries desire to recommend any additional monuments to be added to the schedule, I write to inform you that on receiving a list of such monuments from the Council of the Society I will lay it before the Commissioners of Works with a view to obtaining their consideration of the matter.

It would greatly facilitate matters if the names of the owners of the monuments could be appended to the list and still more so if the Council through their members could obtain the consent of the owners to having the monuments placed under the guardianship of the Commissioners of Works.

I remain,

Yours obediently,

A. PITT RIVERS,

Lt.-General. Inspector of Ancient Monuments in Great Britain.

The President, Society of Antiquaries of London.
