THE MOUNT,
GUILDFORD,
SURREY

Dr Williamson presents his compliments
to General Pitt Rivers & would be so much
obliged if he would tell him whether the
Sarcophagus of Stennis, the tumulus
of Moeshowe - Orkney & especially the
stones of Callernish - Lewis, which
he has recently visited are included
in the Schedule of the Ancient
Monuments Act.

He has been so very glad to notice
that the ~~stones~~ blocks of Moosa
& Herwick are so protected but he

Years from the absence of any notice
board at the 3 places that he has
named that they do not come
under the purview of the Act
He will be so glad to be definitely
informed as it will be useless to
bother General Pitt Rivers with any
comments upon recent damage
or disfigurement, if these
monuments lay outside the
range of his influence & power.

At the same time he would
be glad to know if the
monuments in Iowa are under
the Act.

General Pitt Rivers will probably
remember David Williamson
who is Dr. Williamson's father.

He has only just heard from
the Anti-Orange Socy. whom he
represents in England that General
Pitt Rivers is the Inspector under
the Act.

THE MOUNT
CULVERHOPE
SURREY

Mr Williamson is extremely obliged to
General Pitt Rivers for his very prompt reply
to the letter with which he troubled him
In accordance with the suggestion
made therein, Mr Williamson will
address himself to the owners of Culverhope
& Tona, Stearns & Mosehouse as to the
damage being done to these most
important monuments rather than
trouble General Pitt Rivers with any
further complaints in his
honorary capacity
