My dear Spencer
I erred Belt to advance
you £200 and wrote him
to pay any further sum
required — I have
seen Wall & his plates as
being done here —
It is a pity that Gilder
won't let his photos
come earlier — He need
not be afraid that he
won't get all the credit
for them — The
reproduction must be

done here - & stilling
report must be sent
home, as I want to
see it before it is printed
The delay is his own
fault as he has had
over a year in which
to prepare it - The
business is very unskilful
all round except your
own work, which more
than equals all the
others put together

I will send you the
introductory Chapter or
Preface, but it is rather
hard to know what to
say without having any
knowledge of the work
done or what others

have written —

It would have been
far better to have had
the whole book types
written there & sent here
for printing — however
it's too late now to alter
all that — I hope
your part will be
out by Jan^{ry}.

Yours truly
Wm. Austin

I am getting reproductions
of some of the scenery
plates - for insertion
when the general
Chapter is written
