

WIMBLEDON PARK HOUSE,

~~WIMBLEDON~~

Senior Carlton Club

15 June 1896

My dear Spencer.

Yours of 5 May just  
to hand. I am glad you  
like the photo prints

The Cost is

Minimum size	2/- per block
5 $\frac{1}{4}$ x 3 $\frac{1}{2}$	27/9 -
7 $\frac{1}{4}$ x 5 $\frac{1}{4}$	5/- -

The minimum size is the  
smallest of the prints

The Cost of printing is  
25/- per 550 Copies including  
paper - I think

You will like the Epheurology  
plates they look really well  
Considering the negatives

There w<sup>d</sup> be no delay  
in getting them done now.  
Dulans people spoil the  
whole business by having  
them done by inferior  
people I condemned the  
whole lot & would not  
take them although  
I am afraid I will have  
to pay £20 or £30

Swans people are very  
respectable & obliging &  
do very high class work  
in all branches —

Everything is shipped  
now including plans

to presentation Copies  
to prohibitions here  
& on Continent  
Melville Mueller & are  
strongly against this  
at any rate until  
the work has been out  
some little time - of-  
course there are some  
indications here that  
must have presentation  
at once.

48  
I am writing this  
hurriedly as I am  
going down to Rochester  
& have only a few  
minutes

Yours  
Wm. Brewster
