

WIMBLEDON PARK HOUSE,  
WIMBLEDON.

July 1896

My dear Spencer

By this time I hope  
you have received the  
prints & plans —

You say "play fair" I  
thought I had played  
fair as I have spared  
no expense to give you  
the best reproductions  
I could get done for  
money in England

However I'm glad you

are satisfied with the  
finals, anyhow you  
& I won't quarrel as  
I consider that your  
work reflects the very  
highest Credit on you  
& that is why I wanted  
the illustrations to be  
worthy of the better  
press - I will  
get the photos fixed  
up as soon as possible  
I have seen Belt  
but not Pat

Thine Ever  
Watson
