My dear Spencer

I had hoped to have been able to be present at the meeting yesterday afternoon at Royal St. Hall but was prevented at the last moment. As I shall meet you again before long as I go up to Sunday tomorrow I write to say that I have had a letter from Tyler in which however he does not say anything about my daughter's letter book.

His letter is almost wholly taken up with references and his denials.

The Ford Lane series which we mentioned before is published by W. W. Gibbins
18 Bury Street - Strand W.C.

The series is called *Folk Lore and Legends* - and ~~is~~ is published as *Folk and Legend Series* - with a separate volume for each country.

I have written Mr Tyler by this mail asking him if he had not had any success with the book should it be you to buy back - and as my daughter now remains ^{to} do as you like with.

We all hope you will have a pleasant voyage, a successful visit and a good return when we shall all most rejoiced to welcome you back

Love and dear thanks

Yours faithfully

Alison
