My dear Spencer

We, that my daughter and I are very much obliged for the continued interest and the trouble you take about her little library work.

After due consideration she thinks that it would be best to ask Mr Trozner to return the manuscript - if nothing has been done with it in the mean time. ~~We~~ I am sorry to write to him by this mail to

this effect.

She proposes to alter the manuscript
in the manner you suggest, when
it returns from its travels.

Meanwhile I remain

My dear friend

Your faithful

Anthony
