My dear Spencer

I write this in the chance
of your having returned for today.

I am a & an admirer of your
autograph and will be very
pleased and as it will be more
convenient for him to see you
at Queen than to come out
to my house I enclose a letter
requesting you to let me know
whether Monday or Tuesday or Wednesday
next would suit you and if

to think of & he would go up
to think of you

Your father

Amos
