My dear Spencer

Just of all - let me say that I shall have much pleasure in contributing something to the publishing fund of the A.A.S. - whenever the money is wanted. Meantime I hold my hand as cash is scarce until I have paid for a lot of glass I have bought.

Best & thank you very much for your kindness in reading the manuscript sent out & your very valuable criticisms which

I gratefully accept in the spirit in which they are made. As to Hani's  
 Iy being Dieri, my children and my  
 Sister's children are Hani-mara  
 that is in "Hani-ship" to each other  
 but my children and my brother's  
 children are Meyi <sup>or Haku or</sup> and Yattala in  
 accordance with age, and sex.

I will think over your objection to two-wife  
 which seems to me to contract with ~~primary~~-  
 wife and see if any other term will  
 suit - perhaps she is more properly  
 the 'tupa-malke-wife' but that is  
 a jawbreaking word!

If it will not be burdening you too  
 much I will send you the rough drafts  
 of my chapters on Local organization, Social  
 organization, and marriage.

Yours faithfully  
Quinn
