24 April 1903

My dear Spencer

As I shall be here for a few days say to and including Wednesday next - can we have a chat at some time convenient to you, say at the Museum - or will you come and have lunch at the Grand? If so let us know what day - at 1 pm,

I am down as you will I dare to see in the papers with my colleagues to get some evidence after that we return to Sydney and hope to be done with this work at the end of May if everything will work out as I hope.

I have very much to get done to my own particular work and to finish my book as soon as

I hope that you are well
and that your great new
work has been completed,
your faithfully
Alv. Howard

P.S. I omitted to say that my wife
