My dear Spencer

I congratulate you very

much upon the acceptance of your syllabus  
with. My daughter little <sup>manuscript</sup> ~~book~~ went to  
Dr. H. about a month ago. he and both  
very much indebted for your friendly criticism.

I think she adopted almost every one of your  
suggestions.

I shall be very pleased indeed that  
if you, F. and I can meet to discuss  
the names for the classes. I do not think  
that we shall have any difficulty.

At present I am writing up all  
my materials and I have used the  
terms "two class system" - "four class  
system" etc - also classes, sub classes  
and "blends". I have thought that perhaps

It might be well if you could  
make use of an Australian term  
like "murau" instead of "tutu" -  
but then the latter word has a recognized  
position & has been generally accepted.

I should be very pleased if you  
and Fritz will come and  
dine with us and discuss matters.

I wish also to show you what  
Rev. Otto Siebert has done. He promises  
myself and I have been surprised  
at his views about aboriginal customs -  
he being a missionary.

I await your reply -  
and will fall in with any arrangement  
which you & Fritz like to make as  
to the date & place of meeting

Yours faithfully

Anderson
