Dear Sir

Next year Prof.
Ray Lankester will
enter upon his 25th
year of editorship of the
Quarterly Journal of
Microscopical Science

It is proposed to bring
out a special festival
number to mark the
occasion, & to invite

send a contribution
will you kindly
let me know as soon
as convenient - the
subject, approximately
the number of proofs
& plates

The special number
will be about the
size of an ordinary
number.

some of the old contributors⁴
to assist.

He proposed to make
the special number the
first of the next volume
& bring it out early
in next year.

I trust that you will
allow me to include
your name amongst
the contributors. ~~to~~

Yours
Yours truly
