Dear Prof. Huxley,

A Happy New
Year to you!

I suppose Spencer
is gone. I think he
is quite right not
to apply for Oxford.
He would not like
it. He wanted an
articulator for the

'Thishyan' = Moore of
Liverpool!

Museum at
Melbourne - you
might let him
have this man's
address - if you
have not given
it to him already.
He appears to be
a capable man -

Sincerely yours

W. H. Lamberton.
