Dear Baldwin Spencer -

I have had to  
give up Putney on  
account of the war  
I am back again  
here. I shall be  
delighted to see you &  
have a talk on Friday  
afternoon - Will you lunch  
with me at 1.30 or 2-?  
Or would you prefer to

7  
Come later about 4  
I have a cup of  
tea? just drop a  
post. card.

I am very glad to  
hear about the Australia  
Home implements for  
kindly have sent.

They have not yet  
been trialled here.  
I have some very interesting  
new things about "Robt's  
Carnivals" to show  
you.

I have been busy  
about the matter  
discussed in enclosed  
report.

How delightful it

must be to have this  
long journey over  
the sea! but perhaps  
rather dangerous!

We are all rather  
depressed & upset  
by the war-conditions  
& the foggy winter.

Sincerely yours

May Kankerton.

Have you brought any  
films of those beautiful  
black fellows this  
time?
