October 16th/82

Dear Spencer
I am very pleased to hear
that you can come. We can
manage next week somehow or
other. I shall hope to see you
on Saturday. Mr. Kerlog will
be here till Wednesday morning,
& for the other days I will get
some of the senior students to help.
You certainly must not lose your term.

People might like to know that
the Demographics of Zoology,
which will be beneficial to distinct
from that of Biology, will be
because finally. The appointment
will be made about Xmas.

Yours truly
A. W. W. Marshall
