My dear Spencer

And still she prays  
this morning record  
Barrow .27 Tennant 1.29. Price  
.89 Blaly .27. At last the  
Tennant has had a decent  
fall - Weather still something  
infernal. I am going to  
Tara this afternoon by  
Military Special so as to  
have a whole days shopping  
tomorrow - You have very  
kindly sent me cards for  
the enclosure so I shall be  
able to get an excellent

View of the proclamation.

I'd much rather thought  
have the extra day to  
look around & get things  
together. I am sure  
tomorrow this pay will  
begin on the 1st - Say  
do you approve of my  
suggestion to be by  
drawing on our ac  
for £7.10. monthly to  
pay Mrs. Lane & Charles  
Yrs ever
