My dear Spencer

By private post I am sending
 ventilators. It should reach you
 with this note. Ten minutes after
 I had told you wanted it the
 news was all over the town &
 there is now a rumour on the
 staff! - Today I have been
 communicating with the Station
 Master at Janice as to the best
 means of getting to Hamburg
 Street which is detached from
 from Janice - This evening I
 was surprised to hear from him
 that a Mr Potter F.G.S. of the
 town is writing me a full
 account of the shelters at the

Drawings. Mr. Potter is the President
of the Grant School of Mines
beyond this I know nothing of him
but is not personally known to me
As soon as I receive his
Communication I will put it on
to you. I was glad to get
your lesson today. I like the
plan of the lecture but you do
not mention the Kins are you
going to show it? Ask Mann
to send me the daily papers
containing report of lecture. I
have written Reed of the Geograph
saying that they can depend upon
me not later than the 17th or 18th
Dennyson I suppose will have gone
but that does not seriously matter
I do hope you will have a
bumper, house, don't worry about your
Voice

it services now & the accounts
proprietors of the Hall are sure
to be about perfect. I shall
be anxious to hear how you get
on & also am delighted

I have told Reed that I
shall require a strong paper &
suggested that you should see
& arrange with Thadson. Some
of the reproductions made by
Thadson are very faint & I
have tried them here and can
not detect defects with them
but with a better instrument
they ~~might~~ may prove serious
inconveniences. I will adopt the
one you suggest as far as possible
which please first as soon as
you have it ready so that I
may have as much time as possible

to get the family of friends
I am enclosing a rare stamp
for Mrs Spencer one of the a
part of mine was one for

We began with the new
postal regulations & a number
for the new notes I should not
know whether I am standing well
enough to be in my heels and

This is the end of month &

hour walking with a balance sheet
