My dear Spencer

Two from Today's Register  
the first one is an ad which I found  
poked away in an obscure corner  
of the paper the second a plan.  
They have not thought it worth  
while advertising in the Advertiser  
I shall be surprised if there is  
anything like a decent house. You

You will notice from a ~~advertisement~~  
that the funds are to be  
devoted to the Aborigines  
beyond this I have no information

M<sup>r</sup> Lambert sent word tonight  
that he & Miss Lurie meet me  
at Train in the morning if  
weather permits which I hardly  
think it will. Enclosing  
leader from today's Issue - If  
it's <sup>the lecture</sup> a really top top success  
I'll splash you a memo  
off in the morning - On
