My dear Spencer

If you have not already made a belt for the Serus go at once - but the express train there is no hurry. Your letter today makes me anxious about you & I shall not feel happy until I know that you are safely away under good old Verb Saps paternal wing. I trust to the Lord that you would take a little more

Care of yourself there is no
earthly necessity for you to
work at high pressure & it is
infamously unfair to your wife
& children

I am very angry with
Fison so much so that I don't
want to see him again. By
today's paper I see that he
has been backing up the
sectarian Vancouver newspapers
lying of Fitchett & Morrell
about Roman Catholics. This
Bible burning if it really
took place under the instruction
from a Catholic Priest is a
disgraceful thing of which not
one Catholic in a million
should approve & the Church is

No more responses for it then
you or I. Time was there
whether there is any truth
in the statement but at
present I firmly believe the
whole thing is a piece of lies
Why oh why is it that
the Methodists are for ever
attacking the Catholics? Must
a Catholic paper every year
I never see a better line
against any form of Protestantism
& if I did I should
admit the paper into my
home - Now, I thought, unless
most Methodists, knew something
about the Catholic Church & its
Methods I am fully
disappointed in him & his

heart than I can say. Best Lap - Go away
I'll more have a fortnight or thereabouts
rest & think

Yrs ever
J. H.
