My dear Spencer

I just one line. I am off to the Theatre with the Palazzone one I have only two or three minutes. The Inspector wanted to see me about reduction of staffs on Parliamentary Salaries but I fondly hoped to get me something good. The Army List to the Govt the outlook about it none too very one of those men who think £200 a year quite sufficient for any man except a Head of Department. He is varying I told Monday especially Monday & death. Mr. Roberts will be reduced to £250 or perhaps less when you receive 900 which must be very soon now as he is hardly

able to hold - Just so no spread  
You did absolutely nothing until I  
came to town by land graft -  
Some audacity I have got together Combos  
amounting to £80 per annum for 2 yrs  
+ on my return Tendon will come down  
I begin now at 30% per week on 1st Nov  
Send along your £10 to Give I shall be  
idea of getting you old Chap but it could  
well be helped if the lad is to have a chance  
- My pals are very bad - Dr says that  
it is imperative I sha go now operation  
soon as possible so I intend returning here  
for the Shambles in a month when I hope  
The little wife will be strong enough to bear  
herself with of anxiety injuring her
