My dear Spencer

I have only time to scratch a line  
 or two by official duties - I am  
 there - too me pretty closely to the  
 office all the routine work of  
 the office was new to me -  
 I am only now beginning to  
 get a fair grasp of things  
 when I have got thoroughly into  
 the work I shall have more  
 leisure then I shall write you  
 my impressions of the place the  
 people etc. All my spare  
 time is occupied in arranging  
 my collection which is still  
 a family large representation  
 one I am fixing it in my  
 own special den where the

Let us now try to find out  
the way of the future  
I am always full when  
I think of a day when  
the sun will be high and  
the sky is blue and  
the air is warm and  
the birds are singing  
and the children are playing  
and the old people are  
happy and the world is  
at peace. This is the  
way of the future. It is  
the way of the children  
and the old people. It is  
the way of the sun and  
the moon and the stars.  
It is the way of the  
flowers and the trees and  
the animals and the birds.  
It is the way of the  
love and the kindness and  
the goodness and the  
truth and the beauty and  
the joy and the peace and  
the happiness and the  
well-being of all the  
people of the world.

- I am to lecture at Washwood in a  
month am going to ~~also~~ repeat the  
Adelaide lecture & I want you to content  
it by for say 20 minutes by  
writing up something about the  
medicines, how they are made &c  
& ~~at~~ anything else you think suitable  
for a popular Educational lecture -  
How pray give this your attention  
at once lets a good fellow let  
me have it as soon as possible.

I propose doing the lecture with a  
series of lantern slides. I have also  
been asked to repeat the lecture at  
Kaduna & in all probability these  
papers will want me to give it  
here - I thank you very  
truly
