

If Mrs. Kemp comes  
off under the auspices of  
the Anti-Slavery Society I  
shall expect at least  
the "S.P.S."!

My dear Spencer,

The great news contained  
in your note of the 10<sup>th</sup> inst. was  
indeed a pleasant surprise: like  
Oliver Twist I am hunting for  
more and am looking forward to  
your next letter. The Lords will  
of course give their permission  
but I am not sure that your  
petition is in any way affected  
by the Court - is it? Does the  
petition mean that the  
petitioners will pay our  
expenses - let me have all particulars,  
I hope you will find your  
Wife amenable to remove it took  
all my persuasive power to gain

liberation and true Christianity in  
the Orient have in the <sup>Cornish</sup> ~~names~~  
of Prentiss - gave the "Magic"  
lecture last week - great success -  
great amount taken in the various  
instruments used in Magic - there  
I had a ~~task~~ <sup>room</sup> ~~arranged~~ <sup>arranged</sup> the  
~~at~~ audience at the conclusion of  
the lecture - How is the Chinese  
horror going to end? I know one  
poor fellow in the Customs at  
Peking - It appears to me that  
again the Salisbury foot have been  
caught ~~repeating~~ <sup>repeating</sup> - Must close this  
too fully busy - Kindest regards to  
Mrs Spencer & most of love to the  
children - It must be a delight to  
you to have them all with you  
again - I remain

Yours ever

J. G.
