My dear Spencer

With the Brown document
 you have omitted to forward
 the Memorandum of suggestions
 please send it along - I
 cannot believe that Brown is
 hostile to me as we have always
 been excellent friends & he is
 under considerable obligation to
 me. Cheque recd & remitted
 to credit "Spencer Goussier
 Expedition" at Union Bank
 Adelaide. Manager has advised
 me to remit direct - Send
 me on separate sheet of paper
 your specimen signature. As
 soon as I hear from the
 Bank I'll pay accounts -
 Should like to have had something

most defense from Mr. Lyne
tried to rather outward if it
has to Scott sound looking
for money at the ^{last} moment.

In the meantime I must at
might let folders away out
his idea about approaching
Rev. Smith for phenograph etc.

Melbourne paper the arena
had picture of you I in last
week some evidently a copy

of the ~~photo~~ photo as had taken
at Johnstone Thommasays years
ago or there I have not
previously seen a copy. This
needs Alberts Cotic contains

the same picture - A murderer
conscience of you how did
these papers get hold of

picture? I understand that you
didn't take any copies if not

Very busy tonight please
excuse this scrawl
Sincerely

Yours truly
