June 9. 82.

Dear Howard

I have only just
time for a line to tell you I
am through woods. after a delightfully
short & sweet viva. that I am
coming down tomorrow & the
train reaching L. R. at 5.30 (S.W.)
what time it gets to Alderly I
don't know. Please don't think

of coming to meet it if that
includes missing or curtailing
any trip. If any
score is with you please convey
my respects to the same & a
hope that I may see her
as I pass through, if that
would not mean the spoiling
of any plan in the way of
a walk etc.
