

Box VI. 2B
1896-1897
(AF)

With Carole from Alice Springs
via Indiarua to Owen Point.

Jan. 8th 1897

Alice Springs

1

Left A.S. 10:30 am. Went
with Carole on canoe to Stuart &
then on to Price Camps at Heantine.
After short time with Messrs Kelly &
Chance left at approx 12:15 & travelled
on a dry valley to S. of Mt. Pillen.
Dinner & fuel 5 miles from Heantine.
Dr. through Athol Gap. across Temple
Bar Creek. good water from
Fernvale. Gasparian - sample
found on main valley through
the "second" gap in a range which
runs S. & W. out to the broad
enormous plain with Waterhouse
Range & Owen range in distance.
Range in obs. Second gap lies some
out at either end of valley from long
distance separator & northward to valley

Camp before the South. 11 1/2 miles.
 the missionary plain proper.
 6.45 pm. Camp in small sandy
 creek. Anti-insect.
 distance 20 miles.

Lang, Sat.

Left camp 7 am. Went on
 along plain + ~~to~~ passed through
 (left) before range of mountains
 at 1 pm. reached Owen Spring
 Straight on to Hounded trees + 4
 miles. Beautiful grass by side
 of Hump in gaps. (old) body
 follow - at well - leading many
~~to~~ Kind Curving set. On Hump
 left at 4 pm. - to walked on
 sand hill country to Mochon at
 7.45 pm. 8 pm.

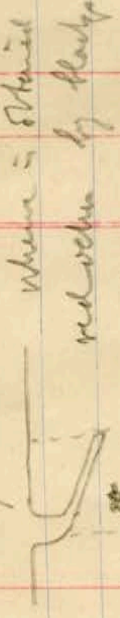

30 miles

~~Red in the
Stewart Fork
Machree~~

Stewart Fork

Jan 10 Sunday.

Aby Machree + out
to Stewart Fork then over
Stony ridge. Red ochre mine

where is obtained
red ochre by the
~~is~~ ^{is} fact. as far away as
Charlotte. native name

Southward over plain with small
river water hole with 1 hole 3/4
mi. on to range being E & W
around low fork then across
another plain to divide ridge +
over gap + into Virginia
range little to S.E. Low rounded
hills all round + higher range
to W. Strong escarpment at
W. end of Virginia range.
I would to S. of this + on
aby some 2 miles to Virginia

Sunset 6 pm

Hate Camp
Doubtful

plus demerol

stack. Photo water
holiday. 15:45 pm
25 miles

Jan 11. Monday

Photo backbone of
Rogers in evening. Left
9 am. on even count. in
one low pass to Hate camp
in Fridge. Fine water hole,
Cuts. Wood duck. Shag
4 white ibis,
Spill 3 hours. on to
Antarctic W.H. in Fridge.
Walter Pugh camp here.
19 miles

Jan 12. Sunday

Start 9 am. Around Fridge
then then over Sand ridge
Jan 12 miles. Shag Fridge

In front of

Alice Spay

1896-97

My father
Cuba, 1896-97

after cut another same night 2
show more granules in
bush.

Then show him owl.

Just stay on poles - then

egg like cartia & isopodaria

follet him along cubra. Then

him nit down along.

Then not yellow along

~~myra~~ ~~scorpius~~ Unfamiliar. Poles

~~scorpius~~ only mawa (2 mawa) (not
at all) (green)

Ca. yellow along ~~myra~~ ~~scorpius~~

along. ~~myra~~ ~~scorpius~~ mia. etegae

atrapuntum. ochilya Pempu

shaped after cut of ochilya.

~~myra~~ ~~scorpius~~ = ~~myra~~

Calli man who cut him (Pole)

also ~~myra~~ ~~scorpius~~ ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

Calli ~~myra~~ ~~scorpius~~ ~~myra~~ = ~~myra~~

By gets meat anything 3

bring along cause. Then
by really any. They eat it
then can yellow.

Em at night time before
cut by tonight.
2 nights after cut
and continue.
