Sturminster Newton,

Blandford 19th Aug 1885

Dear General Pitt-Rivers,

I will communicate with
the Blandford & Wimborne Boards
as to contracting with them for the
use of woods by traction engines,
but as these Boards only sit
about once a month or brecks
it will be some little time before
I shall get a reply.

As you are not connected

with Shaftesbury I do not see
why you should subscribe to the
Foresters fete there but if you
wish it I will send a small

sum -

Yours

Yours obedt. Servant
