STURMINSTER NEWTON,

→: PORSET. :←

13th July 1885

Dear General Pitt-Rivers,

I enclose you a formal
report in which you will
find the particulars of the
Linton Rectory void by the
death of Mr. Temple -

We are busy preparing

for the Audits to be held about
the usual time and I hope
to be in a position to forward
the usual sums to your account
at the same times as usual
the latter part of this month
& early in the next.

The weather is still fine but
rain is now wanted.

I remain your obedient servant
A. W. Leech
