STURMINSTER NEWTON,

→* DORSET. *←

5th Augt. 1885

Dear General Pitt-Rivers,

I paid to Messrs. Simmons
to your account yesterday the
sum of £2,000 making
£5,000 last week & this, the
Ardits are trading fairly well
considering the low price of all
Agricultural produce. Sheep

are again getting very low in price
in consequence of the continued
dry weather & consequently bad
root prospects -

I remain

Yours very obedt servant

W. Steech
