Sturminster Newton,

Dorset 13<sup>th</sup> Decr 1885

Dear General Pitt-Rivers,

I have to attend the  
Pelly Sepino here to-morrow  
at 11 o'clock as to a case  
as to the apportionment of some  
Property & at a meeting as  
to the Schools of the Parish  
at 12 o'clock & could not  
therefore reach Bournemouth until

about 2 o'clock, thinking therefore  
from your letter this morning that  
it will be too late in the day  
for you, I propose to do as I said  
yesterday, go early on Tuesday  
morning & be there as soon upon  
11 o'clock as possible.

I remain

Yours very obedt. Servant

Alfred
