Dear Sir.

With respect to your  
Enquiry as to the Camp on  
Hambledon Hill I do not  
think Mr. Coland. Porcuas  
would sell it, but if you  
have any other pasture lands  
that you could offer in  
exchange & which he might  
consider desirable for Agricultural  
Purposes I might be able to  
induce him to part with a

Location of the Hill though  
it will be necessary to  
retain a certain location as a  
run for sheep to insure their  
health in summer.

I remain

Yours faithfully  
James Horner
