Sturminster Newton,

Blandford 29<sup>th</sup> Jany 1886

Dear General Pitt Rivers,

I have just now finished going through Mr Campbell's accounts & find them correct & considering all things I think they are satisfactory, I have written him tonight for some few particulars to enable me to complete my statement for you & I hope to

have this ready by Tuesday or  
Wednesday -

I am leaving for the audit  
at Rochester which commences  
to morrow early then on Thursday  
morning I commence here, I must  
say I have great misgivings as  
to the result but much hope that it  
will be better than I  
anticipate, if you do not hear  
from me each day please enquire

that they are going on fairly  
well -

Yours  
I remain

Your very obedt servant

Alfred
