Sturminster Newton,

Dorset 6th April 1886

Dear General Pitt-Rivers,

The terms re deductions were not put in the list as they dated from the 25th of March 6 days before your time began & therefore you had never received the larger rents, I will however prepare myself with these particulars.

If you give back the contemplated percentage of about £1400 it

cannot be interfere with the
rates now paid by the Toronto
as these are already paid by them
up to the time which it covers.

I returned Genl. G. G. G. letter
to Mr. James on the 13th church.

I shall pay £500 to your
Bankers to draw.

I have 2 or 3 matters pending
that I wish to put before you & if
I have the same completed I will
be at Annetmore on Friday but if

not then I will on Saturday.

I remain

Yours very obedt. Servant

Al. B. C. C.
