May. 1. 1886

Mr. Campbell,

It is now the 1st of May and I have received no monthly return during the present year altho they have been repeatedly asked for and I have had the same trouble during the whole of the time that you have been in my engagement. The whole of the receipts of the farm consist in the supplies furnished to the farm house and

consequently ^{by} withholding the monthly
return you withhold the only means of
checking the receipts of the farm, as I am
about to take ~~about~~ another farm in hand
it is necessary that I should have a bailiff
who can be thoroughly relied upon for his
return and I must therefore now give
you notice to quit in three months
time. You will be entitled to your
salary until the 1st of August, but as it
will be desirable that the new Bailiff
should enter upon his duties as soon as
possible I may probably require you to
quit as soon as he is appointed. I

shall be obliged to you to arrange with
Mr. Creech to settle the quarterly accounts
for the present year as soon as possible.

Yours

A. Pitt Rivers.
