Dear General Pitt-Rivers,

I have just heard positively
Mr Ashley is about to contest
this Division as a Liberal Unionist
It is to hold a meeting at
Blandford to night & the Conservative
Conservatives have quite decided
to support him, I also hear Mr.
Ashley intends to hold a

meeting here on Friday morning next
at which I hope to attend & I shall
then be better able to judge as
to his chances of success, I must
say I am glad that one of his
views has decided to contest the
Division -
