

Sturminster Newton,

Dorset 31<sup>st</sup> June 1886

Dear General Pitt-Rivers,

I beg to enclose you the list of the lettings &c of the lands at Hinton St. Andrew and Sturminster Newton which Mr. Somes will please affix to your Journal as it is referred to in the notes on our last meeting, I think also it will be seen that there is a

little alteration in the total figures.

Nothing of importance has occurred since I saw you but I will forward a return on Thursday next which will embrace the whole of anything I have to report.

I hope we may now get higher temperature & plenty of sun, should we do so? The season promises well but prices

of Agricultural produce are still very disappointing.

I remain

Yours obedt. Servant

Alfred
