Sturminster Newton,

Dorset 7th July - 1886

Dear General Pitt-Rivers,

The polling for West Dorset
as I said in my last notice
place on Friday (to-morrow) the
9th inst and you can poll at
either Beere Abbas or Chasetonme,
as you are on the list of both
parishes, as you may see fit.

I have favourable reports from each

of your wishes as to Mr.
Amphibian especially from Boston
where I hear quite a lot of me in
favor of him -

The next day which you can
pull in Dorset will be on the
14th at Hurdley for Mr Bond
& at Yonville on the 16th for
Mr Ashley -

The way the election is going

gives much satisfaction to the
majority here -

I remain

Yours obedt. Servant

Alfred
