Sturminster Newton,

Dorset 31st July 1886

Dear General Pitt-Rivers,

The wire fence ~~was~~
must have miscarried I should
think as it was ordered nearly
a fortnight ago but the Iron
fence is only ordered this
week in fact on Thursday last
I however telegraphed this morning
early & I doubt not it will now

reach Anshmore shortly -

I am glad to say the
Audits are going on fairly well
but not so well as I would
wish, I shall pay over to
your account £2,500 on Tuesday
& five days after another
such a sum I think there is no
doubt about -

I remain

Your very obedt. Servant

Alfred
