Dear General Pitt-Rivers,

I returned home last night too late to answer your letter & to-day I have no audit here but my day this week now that may be convenient to you I will be at Dorchester in the morning early,

I have any I may hear from you
to-morrow morning -

I have this morning paid
to Messrs. Dorman Ho. £2,500
& I shall now I find be able
to pay a further like sum
in a few days as soon as
the cheques are collected -

If the Salisbury Builder is
a respectable & safe man of

course he will do the work
& not Green but there will be
plenty of time to consider this
as you decided to let it
stand over until early next
Spring as the ~~sea~~ season is
now so far advanced -

I remain

Your very obedt. Servant
Alfred
