Dear General Pitt-Rivers,

I beg to enclose you a copy of Campbell's account to 30th of June last showing his total income & outgoings or expenditure on the Farms to that time from which he shows the latter to exceed the former by £363. 18. 3, as he has little

to sell in the early part of the
year I must say I expected the
balance at that time to be
larger, I have sent the originals
copies I have made as there were
a few clerical errors in his & in
order not to run the risk of
losing the originals in the post.

We have had glorious weather
the past few days and I much
hope it will last some time for the
Harvest, the Summers are now very

long & we shall soon be able to
ascertain with more certainty the
prospects of the bar yield &c,
I fear myself the weather of the
past month has been much
against the crops.

Everything is going on about
as usual and until the Harvest
is over little will be seen of
the Summers.

I should anything important
soon I will write you by the next
